ACADEMIC PROFILE & OBJECTIVE

Computer Science graduate with extensive field experience in research supervision, data collection methodologies, system monitoring, and project coordination. Demonstrated track record in leading teams, managing complex stakeholder relationships, and implementing mobile/field data collection solutions (ODK, KoboCollect, SurveyCTO). Seeking admission to a Master's degree program in Computing to combine field data acquisition expertise with advanced computational analysis, software development, and data-driven research.

EDUCATION

Yusuf Maitama Sule University Kano | *Bachelor of Science (B.Sc.) in Computer Science* **Graduated 2024**
Kano, Nigeria
Core Areas: Data Structures & Algorithms, Systems Analysis & Design, Software Engineering, Database Management Systems, Field Data Collection Methodologies.

PROFESSIONAL & RESEARCH FIELD EXPERIENCE

Innovations for Poverty Action (IPA) | *Team Lead Enumerator – Vaccination Coverage Survey* **Jul 2026 – Sep 2026**
Kebbi State

- Led field enumeration teams in Kebbi State for a comprehensive vaccination coverage survey, ensuring strict adherence to sampling protocols and data quality control.
- Supervised daily mobile data collection via digital survey instruments, resolving technical field issues and conducting real-time data validation.

V-Labs Global | *Youth Researcher – Mastercard Foundation Innovation Labs* **Jun 2026 – Jul 2026**

- Conducted targeted field research and qualitative/quantitative data gathering under the Mastercard Foundation Innovation Labs initiative.
- Synthesized research findings to support innovation programs targeting youth empowerment, digital tools, and community development.

Agramondis Research and Consulting | *Field Supervisor & Lead Enumerator* **2024 – 2026**

- Field Supervisor – Food For Progress Initiative across Lagos, Ogun, Osun, Ondo, Edo & FCT (2026): Oversaw cross-regional field operations, data collection pipelines, and stakeholder engagement.
- Team Lead / Enumerator – Action Research Electric Vehicle Project across Kano, Kaduna & Jigawa (2026): Coordinated field logistics and technical data gathering for EV adoption research.
- Team Lead / Enumerator – Feeds and Fodder Study in Jigawa (2025) & Anker LWS Study in Kano (2025).
- Enumerator – Seminis Market Study in Kano (2024).

Rii-Lion Farms | *Business Development Manager / Head of Operations* **2024 – 2025**

- Directed operational workflows, supply chain activities, and strategic planning to enhance business efficiency.
- Managed cross-functional teams and applied project management principles to optimize operational outcomes.

Hafex Link | IT Support & Sales Specialist

2023 – 2024

- Provided technical support, hardware/software troubleshooting, and network maintenance for business systems.
- Managed client hardware/software requirements and delivered technical sales solutions.

Society for Women & Aids in Africa (SWAA) & Malaria

2016 – 2018

Consortium | Volunteer & Field Distributor

- SWAA (2018): Spearheaded community sensitization on public health programs for women in Africa.
- Malaria Consortium (2016 – 2017): Served as Community Drug Distributor for Seasonal Malaria Chemoprevention in Kano.

TECHNICAL SKILLS & CORE COMPETENCIES

- **Mobile & Field Data Tools:** ODK (Open Data Kit), KoboCollect, SurveyCTO, Mobile Data Collection & Monitoring
- **Data Analysis & Productivity:** Microsoft Excel, Word, PowerPoint, Google Workspace (Docs, Sheets, Drive), Data Visualization
- **Field & Technical Capabilities:** Field Data Collection & Supervision, Project Coordination & Reporting, System Support, SOC Analysis
- **Interpersonal & Leadership:** Stakeholder Engagement, Community Mobilization & Sensitization, Cross-Cultural Communication, Leadership
- **Languages:** English (Fluent), Hausa (Native)

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- NYSC Discharge Certificate
- Project Management Specialization – Coursera
- SOC Analyst Certification – Udemy
- Data Analysis & Visualization – Udemy
- Youth in Global Health Governance – International Working Group
- Data Analysis Certificate – UNICEF
- Primary Data Collection Certificate – UNICEF
